Subject: Request Design Registration

Ms. Formaniuk,

CSA has received the documentation submitted by ABSA on behalf of Parker Hannifin Corp. These fittings have been registered by CSA for the Province of Québec in accordance with an agreement between CSA and the Province of Québec.

The CRN is 0C02206.26 .

The cost for this service is \$ 760.00 plus HST.

A copy of the Statutory Declaration with an original stamp affixed will be forwarded to you along with our invoice by regular mail.

Yours truly

A handwritten signature in cursive script that reads 'Janet Townsend'.

STATUTORY DECLARATION Registration of Fittings

In this space, show facsimile of manufacturer's logo or trademark as it will appear on the fitting.

See Attached

General Manager

(company title, e.g. vice president, plant manager, chief engineer) (must be in a position of authority)

of Parker Hannifin Corporation, Instrumentation Products Division

(name of manufacturer)

located at 1005 A Cleaner Way, Huntsville, AL, with add'l manufacturing at 2651 Al Hwy 21 North, Jacksonville, AL

(plant address)

do solemnly declare that the fittings listed hereunder, which are subject to the Safety Codes Act (check one)

- ☐ comply with the requirements of _____ which specifies the dimensions, (title of recognized North American Standard) materials of construction, pressure/temperature ratings and identification marking of the fittings, or
- ☒ are not covered by the provisions of a recognized North American standard and are therefore manufactured to comply with B31.1 as supported by the attached data which identifies the dimensions, materials of construction, pressure/temperature ratings and the basis for such ratings, and the marking of the fittings for identification.

I further declare that the manufacture of these fittings is controlled by a quality control program which has been verified by the following authority, Det Norske Veritas as being suitable for the manufacture of these fittings to the stated standard. The fittings covered by this declaration, for which I seek registration, are CO Series Check Valves

In support of this application, the following information, calculations and/or test data are attached:

Catalog 4135-CV, Check Valves Filters & Relief Valves, Dated December 2010, ISO QA Certificate

PRODUCT LOGO MARKING REQUIREMENTS

Parker Symbol

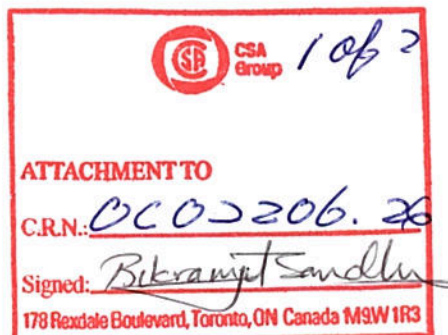

ID-3

GENERAL:

The following information is adapted from Parker's Corporation Communications and Identification Manual.

PRODUCT IDENTIFICATION:

It is important that Parker identification appear on the millions of components sold into the market place each year. For this reason, special versions of the Corporate Signature have been designed to accommodate difficult product marking situations. The three key variables which will govern the selection of proper identification techniques are the material on which the marking is to be applied, the surface contour, and identification area size. The order of preference for product marking usage is shown. When possible, the solid Signature should be used down to a minimum of 5/8 inch. For smaller applications, the solid Open Signature, with slightly more open space within the letterforms, should be used. The Linear Signature and the Helvetica Light Parker are approved only for especially difficult marking conditions and hard material surfaces. When the marking surface, contour or area size makes it impractical to use the complete Parker identification, a "P" may be used in order of preference shown. Critical dimensions for product identification only are provided in this section.

MANAGEMENT SYSTEM CERTIFICATE

Certificate No.:
51495-2009-AQ-USA-RvA

Initial certification date:
07 April, 2009

Valid:
07 April, 2015 – 07 April, 2018

This is to certify that the management system of

Parker Hannifin Corporation Instrumentation Products Division

1005 A Cleaner Way, Huntsville, AL 35805 USA
and the sites as mentioned in the Appendix accompanying this Certificate

has been found to conform to Quality management system standard:
ISO 9001:2008

This certificate is valid for the following Scope:

**Design and Manufacture of Instrumentation Products. Design,
Manufacture and Service of Pressure and Temperature Systems,
Components and Pneumatic Pumps**

Place and date:
Katy, TX, 14 January, 2015

The RvA is a signatory to the IAF MLA

For the issuing office:
DNV GL - Business Assurance
1400 Ravello Drive
Katy, TX 77449

John C. Stefan
Management Representative

Lack of fulfilment of conditions as set out in the Certification Agreement may render this Certificate invalid.

Service Request Type: BPV-Fitting Registration
Service Request No.: 1637910
Your Reference No.: 2014-10253
Registered to: PARKER HANNIFIN - INSTRUMENTATION PRODUCTS DIVISION

Dear CYNTHIA FORMANIUK,

Technical Standards and Safety Authority (TSSA) is pleased to inform you that your submission has been reviewed and registered as follows:

CRN No.: 0C02206.25ADD1

Main Design No.: CO SERIES CHECK VALVES - CATALOG 4135-CV DECEMBER 2010, PAGE 14 - 17

Expiry Date: 07-Apr-2025

Please be advised that a valid quality control system must be maintained for the fitting registration to remain valid until the expiry date.

Note:

- 1) Material of valve body & cap: ASTM A276 type 316
- 2) P/T rating: 6000 psig at 100 F.

The stamped copy of the approved registration and the invoice are mailed separately. Should you have any questions or require further assistance, please contact a Customer Service Advisor at 1.877.682.TSSA (8772) or e-mail customerservices@tssa.org. We will be happy to assist you. When contacting TSSA regarding this file, please refer to the Service Request number provided above.

Yours truly,

Wendy Du, P.Eng.
