Dear Valued Parker ACD Customer,

Thank you for your continued interest in Parker's Hydraulic Reservoir Isolator- KVE KleenVent® product series.

As we are moving away from the **plastic (HDPE)** enclosures for KleenVent®, the following part numbers with the **plastic** enclosures have been obsoleted:

- **KVE005P50A1 (5 gallon volume)**
- **KVE020P50A1 (20 gallon volume)**

We now offer the **metal** enclosures for all available sizes, and they are ready for ordering:

<b>KleenVent® - KVE Series</b>			
<b>Urethane Bladder</b>	<b>Enclosure Material</b>	<b>Volume Gallons</b>	<b>Base List Price (\$)</b>
<b>KVE005M50A1</b>	Metal	5	3778
<b>KVE020M50A1</b>	Metal	20	4667
<b>KVE040M50A1</b>	Metal	40	7894
<b>KVE080M50A1</b>	Metal	80	9941

Main Features:

- 1) Urethane bladder
- 2) Powder coated black metal enclosures
- 3) Barbed fitting connection for 1" I.D. hose or plastic tubing (standard option)
- 4) Mounting holes

If you have any additional questions about this product, please do not hesitate contacting Parker ACD Customer Service at [acd\\_cct@support.parker.com](mailto:acd_cct@support.parker.com) or call us at (815) 636-4100.

Best regards,

Bob Rajabi
